

# Do You Dream In Color???

October 16<sup>th</sup> at 6:00 PM

The Cedar Rapids Public Library

Whipple Auditorium

**This screening is free and open to the public**

Carina, Nick, Sarah and Connor are like most of their peers except for the fact that they are blind. This film will move you with their truly remarkable (can do) attitudes that these young people have, despite the challenges they face on a day to day basis.

Stick around for a panel discussion over the film, directly after.
