June 26-30: 6th-8th grade
July 10-14: 2nd-3rd grade
July 17-21: 4th-5th grade
July 24-28: 6th-8th grade

Camp Courses

We are featuring courses centered on creativity, leadership, entrepreneurship, engineering and coding. Imagination Iowa prides itself on providing learning experiences for students that engage them in experiential and project-based opportunities. Our camps are taught by experts in the field and educators that engage students in real-world application as they develop these new skills.

Course Cost

\$179

Range/Eligibility

Students who have completed grades 2-8

Camp Size

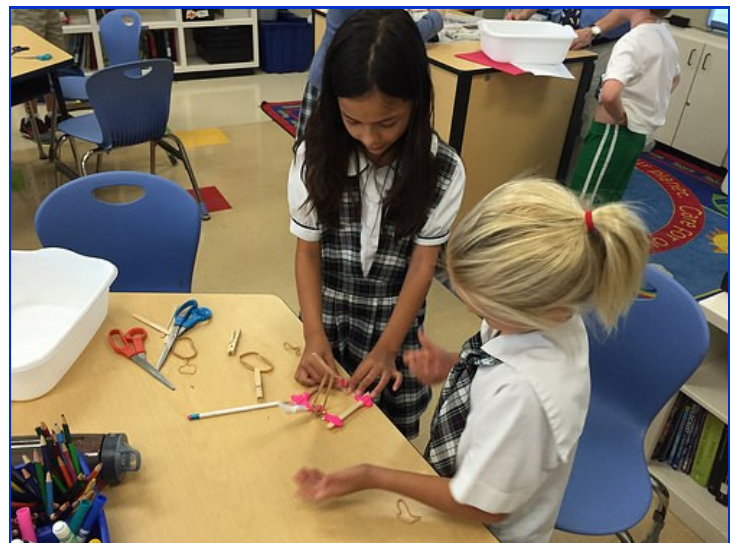

Typically 12-16 students per course

Location

The Geonetric building in NewBo (415 12th Ave SE). Some classes will be taking field trips within walking distance around the NewBo District.

REGISTRATION IS OPEN!

If you have any questions, please contact Kristine Sorensen, Director of K12 Education, or visit our website at www.newbo.co/imagination-iowa/summer-challenge/

Engineering 101, 2nd-3rd grade, instructed by Sarah Reiss
