

# ENJOY THE MUSIC

As the school year winds down, it is time to start thinking about those summer plans! **Cedar Rapids Municipal Band** concerts are a great way to spend an evening with the family, and they also provide a free and informal setting to introduce children to live music. Pack some snacks or a picnic, and join us as we showcase some of the finest musicians from our community. Please see the schedule below for the dates and locations of our performances--we will almost certainly be visiting a park near you!

Please visit our website at [www.crmuniband.org](http://www.crmuniband.org) for more information, and I look forward to seeing you this summer!

Sincerely,

*Steve Shanley*, Conductor  
Cedar Rapids Municipal Band

**All concerts start at 7:30 PM unless otherwise noted.**
