# SYLVAN ACT PREP

Our ACT test prep program gives teens the skills, strategies, and practice needed to score high on college entrance exams. Our experts are here to help you navigate the entire college admissions process. Teens get the skills, strategies, and practice to score high on the ACT.

If you want to ensure your teen is making the right moves to get into schools and is preparing for college-level success, our prep courses are the perfect solution. We can help your family get ready for the ACT and build the skills needed to thrive in college. The first step is to take an **ACT practice test**.

Afterwards, your teen will get a personal evaluation of performance along with suggestions on how to improve test scores. Our college prep experts help students:

- master the skills needed to score well on the college entrance exams
- learn how to write a strong college application essay
- develop the research-based writing skills needed to excel in college
- improve the strategic reading skills to succeed with advanced coursework and tests.

SylvanPrep for ACT can help reduce your student's stress and increase test scores for one of the most important exams of his or her academic life.

With the SylvanPrep program, students get:

- skills and strategies needed to score high on the ACT
- multiple full-length, timed practice tests
- 24/7 online access to thousands of video lessons
- interactive vocabulary builder with hundreds of common ACT words
- flexible scheduling
