

ENGINEER FOR A DAY CEDAR RAPIDS

STEM EVENT FOR GIRLS!

November 17 • 1:00-5:00 p.m.

Kirkwood Community College, Hiawatha Center, 1770 Boyson Rd. Hiawatha, Iowa, 52233

All girls interested in a hands on STEM experience are invited to take part in an exciting event that will have girls thinking like a real-life engineer! At Engineer for a Day, girls will have the opportunity to complete the Think Like an Engineer Journey under the direction of professionals from STEM fields.

All Girl Scouts will get to invent, design, create, build, and program, while also receiving a fun patch to celebrate their accomplishments.

**Fee: \$20/girl and \$5/adult
Grade Level: K-12**

**To register, visit the Activities tab
on GirlScoutsToday.org before
Wednesday, November 7!**
