

Celebrate Pi Day with Sylvan!

**March 14th (3.14!) help us celebrate Pi Day with a
FREE math assessment (a \$95 value)!**

We believe that true learning — the kind that makes your child smarter and more motivated — calls for a personal approach. That's why we use a proven, four-step approach called Sylvan Insight to truly engage your child.

Call us to set up your FREE math assessment for March 14th from 1-4!
