

“Month of a Young Child” Open House

Please Join Us

TIES will take you on a journey through the footsteps of a young child! This event will focus on four basic needs:

- * Developmental
- * Social-Emotional
- * Health and Wellness
- * Education

Attendees will have the opportunity to meet with several child-serving community agencies that focus on all areas of child development. Kid-friendly event!

Ask questions, sign up for services, enter to win **raffle prizes**, play games, learn more about community organizations, and have some yummy **refreshments**. All are welcome!
