The general skills camps are designed to train the fundamentals and introduce the team concepts of volleyball. Athletes will train with fun, but challenging drills and work specifically on hitting, setting, passing, defense, blocking and serving.

Drills will be both individualized and incorporated into a game-like team structure.

These camps are great for beginners, as well as challenging the more experienced volleyball players.

All camp sessions are general skills sessions. Drills and games may vary and be adjusted based on number of campers attending. Athletes are welcome to attend multiple sessions. Athletes will be separated on courts first by age and then by ability if necessary.
