

# Coe College Soccer 2018 Coed Summer Camp

## Kohawk Soccer Day Camp July 9<sup>th</sup>-13<sup>th</sup> (Ages 7-15):

The Kohawk Soccer Camp will feature a program designed to develop each child's skill to full potential as an individual, with a special emphasis on player development. The camp will be instructed by qualified coaches and college players who can fully demonstrate each skill.

We will begin every morning with a staff demonstration then break into coaching groups by age levels and ability. Every level of player, whether your child is a beginner or a serious soccer player, will be challenged in this comprehensive full day camp.

Age specific skills, tactical approach, and techniques required of goalkeepers, defenders, midfielders, and forwards are taught through drills and strategies consistent with the philosophy and goals of the Kohawk Soccer Camps.

Recreational swimming will be held at the end of the day Monday-Thursday in the indoor pool in the new Athletic Recreational Center.
