

RISE for Climate Action!

September 15, 2018

10:00 – Noon

Greene Square Park

Join us as we RISE together to address climate change, remember the floods, and learn ways to cut our carbon footprint. Thousands of rallies will be held around the world to demand our local leaders commit to building a fossil free world that works for all of us. We stand committed to keeping the Paris Climate Agreement doing all we can to mitigate our climate crisis.

Greene Square Park will be filled with Renewable Energy exhibits, voter information/registration, music and art activities for kids of all ages. We'll learn how to decrease our negative impact on the environment, then we'll cap off the activities with a rally and march to the Cedar River for a blessing of the water.

Come discover what you can do to protect the earth with clean energy and sustainability activities by these climate partners: IOWA 350, Sierra Club, Prairiewoods, IRENEW, League of Women Voters, United Nations - Linn, Linn County Public Health, Veterans for Peace, Inter-Religious Council, Alliant Energy, The Create Exchange, Linn County Solid Waste Agency, Kennedy HS Electric Car Team, Feed Iowa First, NextGen & Indigenous Iowa.
